- **Name:**

Mission Trails Golf Club

Designed by renowned architect William P. Bell in 1964, Mission Trails Golf Course

is a challenging day of golf for all skill levels. The par 71 course emphasizes shot placement on the front nine holes, then spreads to a more traditional layout on the back nine as it moves to the shores of Lake Murray. The signature seventeenth hole is a 215-yard, par 3, which plays downhill through a narrow opening and is guarded by a hazard and O.B. The lighted, grass tee driving range is open daily until 8:30 p.m. in the summer and 7:30 p.m. in the winter. We also offer two practice putting greens.
